

## Registration information required for ECTs

### 1. Induction type

All ECTs starting in September will be registered on the 'two-year ECF induction' option (see below).

If your ECT has already completed some NQT induction elsewhere then you will select the 'one year induction'.

#### Induction Type

Please select the induction type that best suits your ECT.

- Two year ECF induction (starting on or after 1st September 2021)**
- One year induction (started prior to 31st August 2021)**
